

Introduction to Zotero – Exercises

1. Adding references

Add the following references to your library:

Jozica Dolenc, Philippe Hünenberger, & Oliver Renn. (2016). Metrics in Research - For better or worse? *Infozine*, (S 1), 48.

Byron, G., & Townshend, D. (Eds.). (2014). *The gothic world*. London ; New York: Routledge.

add a website of your choice

add any reference via an identifier (ISBN, doi, pmid)

2. Organising your library

Add tags to your library!

Assign colours to your tags!

Create a new collection!

Create a subcollection!

Create an advanced search!

3. Citing

Create an empty document in Word!

Copy some text into this document (e.g. from Wikipedia)

Insert citations via the Plugin, via the context menu in Zotero ('Create Bibliography from item')!

Create a reference list! Try different citation styles!
